EDUCATION

IES College Of Technology, Bhopal	2022 – 2026
B.Tech - Computer Science and Engineering (Cyber Security)	CGPA: 7.52
• 12th - Percentage: 72.44	2022
• 10th - Percentage: 72.44	2020

PROJECTS

UniPortal

- Developed a multi-role College Management System Dashboard with modules for Admin, Faculty, Students, Library, Finance, and TP. Included features like user course management, academic tracking, fee payroll, library circulation, placement scheduling, and internal communication — using structured schemas, role-based access, and automated reporting.

Palace-Paradise

- Created a Hotel Management Web App with item-wise billing, quantity input, and real-time festival discount calculation using JavaScript. Designed a responsive and modern user interface with navigation bar, food gallery, and about/contact sections using HTML CSS.

TECHNICAL SKILLS

- Languages: C++, Python
- Technologies: HTML, CSS, JavaScript, Bootstrap
- Frameworks: Node.js, Express.js, React.js
- Tools: Git, GitHub, VS Code
- Coursework: OOPS, DBMS, Fundamental of Cyber Crime

CERTIFICATIONS

- Python – Coding Thinker
- Cyber Security – Edvercity

EXTRACURRICULAR

- Inforia 2025
- Solved 250+ problems on CodeChef

Palace : Pune, Maharashtra
